

Chapter - 11

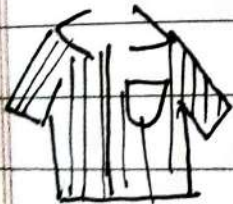

Patterns

Patterns are created when figures, shapes, objects, etc. are arranged in a particular order and repeated over and over again.

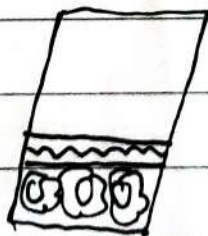

Such as
2, 4, 6, 8, 10, 12, 14, 16

We see such a pattern in

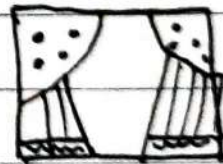

Shirt

Saree

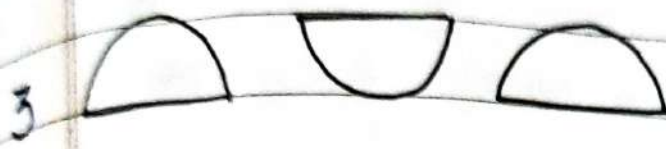

Cup

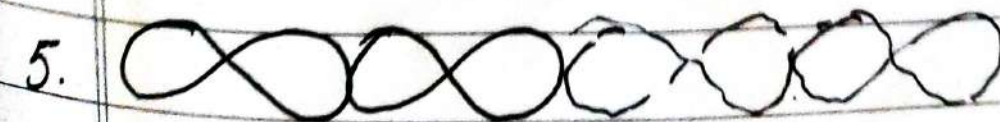

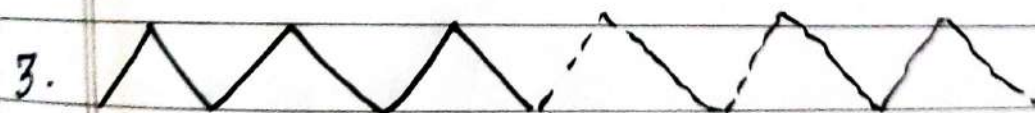

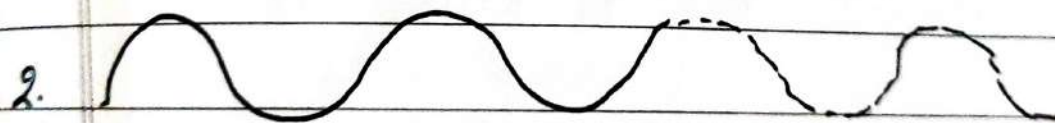

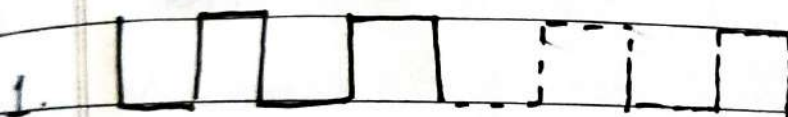

Curtain

Exercise 1.

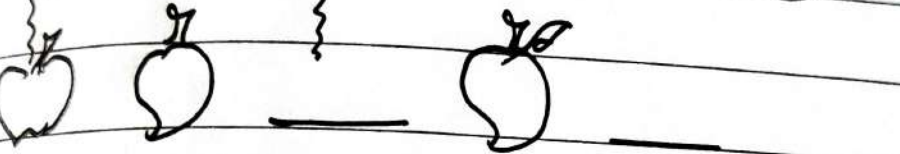

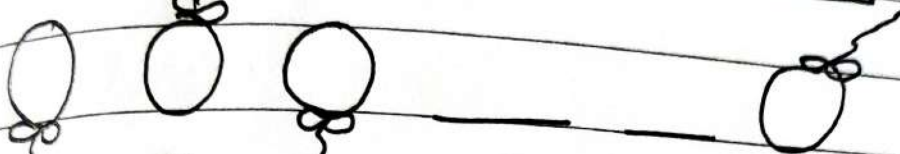

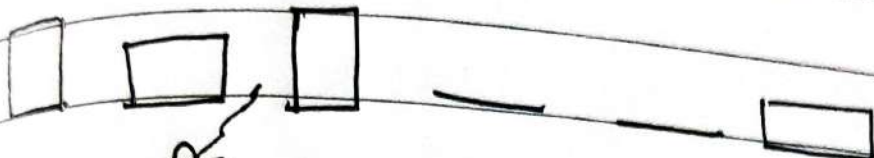

A. What will come next in the pattern?
circle it.

B. Extend the pattern.

C. Fill in the missing shapes to complete the pattern:

D. What come next:

1. 1, 3, 5, _____, _____, 11

2. 2, 4, 6, _____, _____, 12

3. 10, 20, _____, _____, 50, _____

4. 30, 25, _____, _____, 10, 5
