Lesson – 7 Using A, An and The

Book Exercise

Circle a/an/the in the story below.

An owl lived in an oak tree. He saw the things that happened around him. He knew an honest boy who lived in a village nearby. One day the owl saw the boy helping an old man carry a heavy basket. An hour later, on the same day, the wise owl saw a little girl picking up a one rupee coin and returning it to an old woman. O, how the old woman blessed the child! But everyone was not equally good. One day, the owl heard a man shouting at another man. The next day, another man lied that an elephant had jumped over the city wall! The owl did not speak but saw and heard everything and grew wiser.
