Subject: Inviting for birthday party

Hi dear _____,

How are you ? Hope you and all in your family are in good health. 20th November is a very special day as, its my birthday.

And you are invited for the same. The party is at Shreemaya Celebrations at 7.00 pm .

My mom has kept “Avengers Birthday Party” theme. You can dress up as any Avenger and come for the party.

And there will be many games and prizes too. We shall have lots of fun and dance to rocking music. I have invited our other friends too.

Do bring your siblings along with you for the party.

Bye!!

See you at the party.

Your friend ,
Vincy
