*Dear Mom,*

*I just came from school , couldn't find you at home. Neighbour aunty told me that you have gone to the vegetable market and you might take time to return.*

*Mom, I have taken a shower and had my lunch .I have also completed all my school homework . Now, my friend Ayush has come so I am going out to play with him and from there itself I shall go for my music classes.*

*I will be back home by 6.30 pm. So don't worry.*

*Bye! Mom*
