

## **CIRCULAR REGARDING THE USE OF AN EDUCATIONAL JOURNAL DURING LOCKDOWN.**

Dear parents and students, as we enter into the third phase of the Lockdown, I wish you all good health and relaxed minds to overcome this difficult time caused by the epidemic COVID-19. We are happy to introduce to you '**EDUMATE, A COMPLETE EDUCATIONAL QUARTELY JOURNAL FOR CLASS 10**'. I have consulted with the all our subject teachers and made this decision to upload it in the **E-LEARNING** in our school website **starnoldsvijaynagar.com** for your benefit as we are not sure how long this situation will continue to prevail. This educational journal can help you as it has got a comprehensive analysis of each lesson and answers to textual questions. Along with this content your teachers also will support you with additional knowledge, diagrams, charts, graphs, maps etc wherever needed. Hence during this Lockdown and Summer Vacation update yourselves with complete knowledge on the subjects given in the journal.

### **HOW TO USE THE JOURNAL**

1. Before you go into the subjects kindly read the editorial and the other articles given in the journal.
2. Read at least three time the subject wise lessons before you start referring the journal. For those of you do not have the NCERT Text Books, lesson wise link is given to read or to download.
3. Jot down your doubts, difficult concepts and ideas in a note book.
4. Keeping your doubts, difficult concepts and ideas in mind, kindly start reading the journal.
5. If your doubts are not yet cleared, make a note of them and wait for the teachers to clear them when school reopens.
6. You can also watch subject wise videos available in the Next.Learning Platform App. (LMS). This will enhance you to understand the questions and answers better.

Therefore, my dear students, at the end of this process, you will find yourselves confident and sure with your subjects. You need to equip yourselves by reactivating your own hidden potentialities in a creative way. Finally, I request all of you to prepare subject wise note books and write all the questions and answers. Wish you all safe, healthy and pleasant stay at home.

Prayerful regards

Principal
