

**Four**

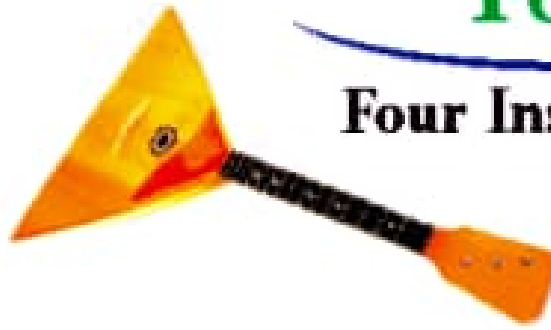

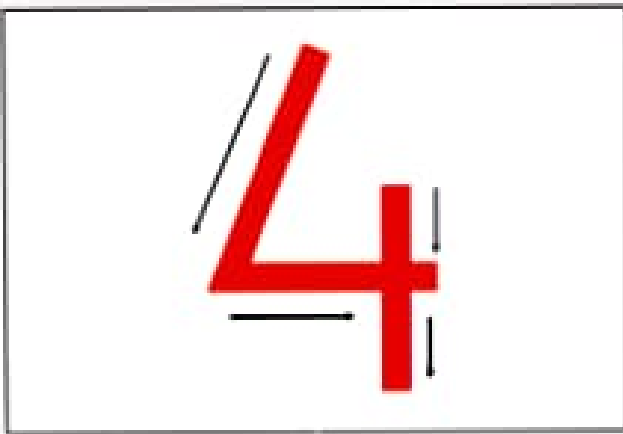

Trace the number

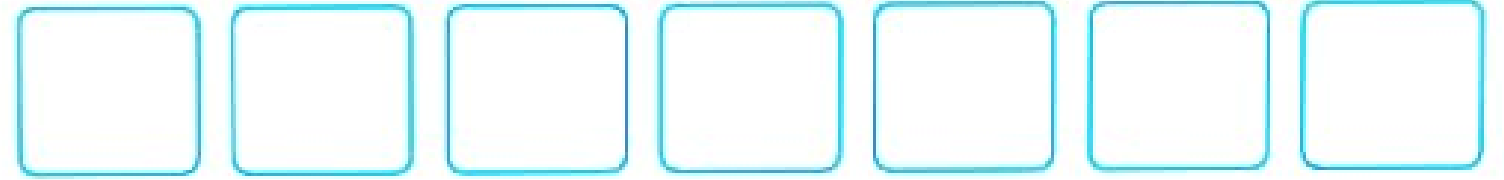

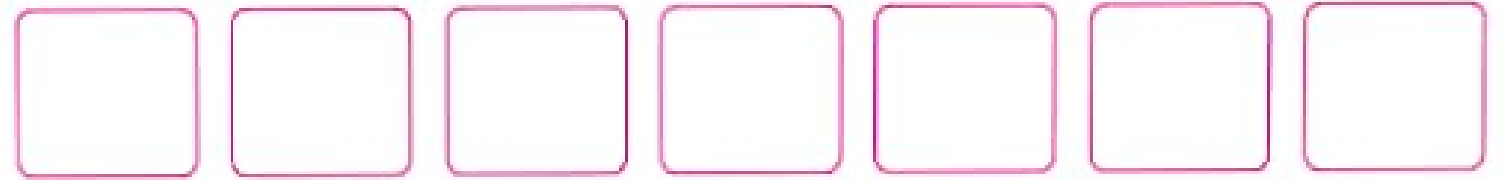

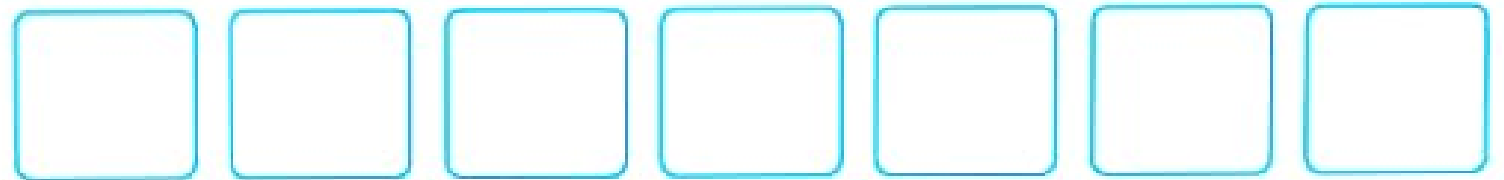

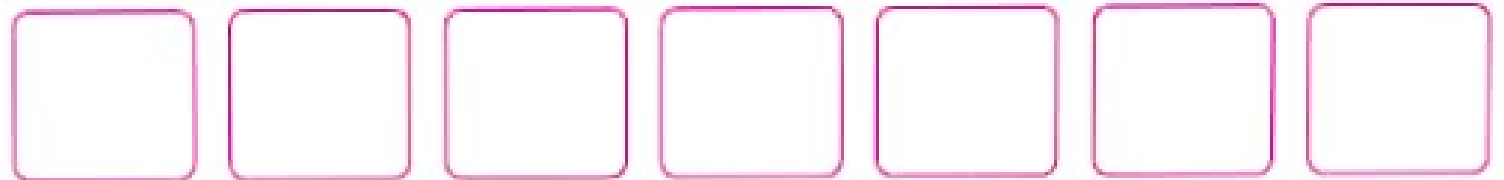

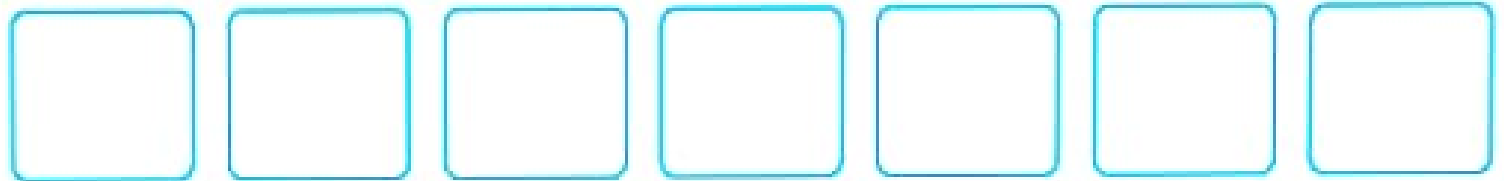

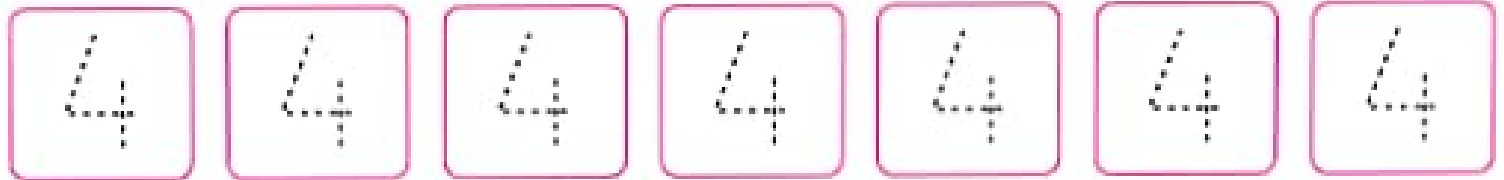

A dashed black number '4' for tracing, consisting of a diagonal line down to the left, a horizontal line to the right, and a vertical line down.	A dashed black number '4' for tracing, consisting of a diagonal line down to the left, a horizontal line to the right, and a vertical line down.	A dashed black number '4' for tracing, consisting of a diagonal line down to the left, a horizontal line to the right, and a vertical line down.
A dashed black number '4' for tracing, consisting of a diagonal line down to the left, a horizontal line to the right, and a vertical line down.	A dashed black number '4' for tracing, consisting of a diagonal line down to the left, a horizontal line to the right, and a vertical line down.	A dashed black number '4' for tracing, consisting of a diagonal line down to the left, a horizontal line to the right, and a vertical line down.
